Dear Friends,

I'm writing to make sure you are personally aware of an amazing, supernatural sign and wonder that is still repeatedly occurring, to tens of thousands of Christians around the world everyday, as the name of Jesus Christ is lifted up. You have all known me and my art for many years, and know I love Jesus with all my heart. I wrote you about this miracle back in March of 2000. I'm writing now to give you an update, and a copy of very rare, raw video footage, which I shot myself, of this Holy Spirit manifestation.

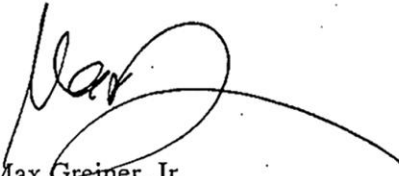

God is again visibly pouring out His "Shekinah Glory" (Ex. 34:29-35) on the earth, and sprinkling His servants (Is. 60:1-5) and others, as the name of Jesus is lifted up. This dramatic miracle, which occurs everyday, is being documented and studied by scientists of the highest caliber, all over the world. However, be aware, this supernatural phenomenon is very disturbing to most scientists (believers and non believers alike) since it is not a hoax. This miracle forces them to acknowledge there really is a "miracle working" God. This manifestation of the Holy Spirit always occurs as Jesus Christ is lifted up; in testimony, prayer or worship. God's primary purpose seems to be evangelism. Tens of thousands of people are coming to Christ, through this miracle. We have been privileged to lead hundreds to Christ. As I simply witness that Jesus is God, and that He still works miracles today, God confirms this message with a demonstration of His power. To date, the Holy spirit has sprinkled this golden glory dust on thousands as I proclaim the Gospel. God has covered witches, atheists, unbelieving scientists, Jews, Buddhists, Mormons, Jehovah Witnesses, and many famous, "anti-miracle" Christian leaders you know. Many of these well known leaders were in total shock, since during their lives they have ridiculed Christians who claim supernatural gifts and miracles exist. We get some of that ridicule at our house! However, I'm trying to take Josh McDowell's advice regarding this miracle. He said to me, "Max, keep doing what you are doing, and don't let anyone stop you!"

I have enclosed for your information, an amazing five hours of video footage, which documents this wonderful miracle, and all of the original people God used to introduce this miracle to our generation. Two are now dead. To my knowledge, no one else in the world has video tape of all these people. If you want to see the most dramatic demonstration of the miracle, fast forward the tape to the end, where Sylvania Machado is ministering in Austin. She is the lady God used to start this miracle in our time. At the beginning of the video you can see our home/studio in Kerrville, with the glory dust going up the walls; and a TV interview I did related to the miracle. This manifestation of the Holy Spirit has been occurring every day in our home/studio, on my artwork and family, since March 7, 1999. Please excuse the poor quality of the video. It is a copy of a copy. However, I do have the original, excellent footage which was filmed with a digital Sony Hi 8 camera.

Sherry and I also invite you to come to our studio/home in Kerrville, to see the miracle on our walls and door. In the near future, I will be traveling again and displaying my art at the NRB Convention (2/6 - 11/03) in Nashville, and the CMA Convention (2/24 - 27/03) in Colorado Springs. I would be glad to meet with you or your staff, either before, during or after these conventions, if you wanted to discuss the matter further, "we can't help but speak about what we've seen and heard!"

I hope you realize my motive is only to bring glory and people to Jesus. Yes, I make my living from my art, but years ago God told me He also called me to be an evangelist. I'm just "undercover"! All this material is provided for your information, as leaders in the body of Christ. We love you all and thank God for you, and the work you do for Jesus.

Yours in Christ,
