Can we bless you today with my original, Holy Spirit inspired artwork? God made me an artist in 1951, trained me as an architect at TEXAS A&M UNIVERSITY in 1974 and called me to be an evangelist in 1989. Ever since, I have boldly lifted up Jesus Christ to the world with my art, architecture and testimony.

Over the last 48 years by the grace of God, my art has been owned by Popes, Presidents, Preachers, Senators, Representatives, Governors, Generals and the Stars of music, film, sports and business. At the beginning of my fine art career I focused on nature and people. However, 1986 the Holy Spirit redirected my life and art. My work now points to the coming King!

Sherry (my wife of 50 years) and I have used our profits during our lives to build the Kingdom of God. We thank you for making this possible and for purchasing my work for your family, friends, home, business and church. All purchases include a "Free Ticket To Heaven!"

In the service of the King of glory,

Max Greiner, Jr.
Artist/Architect/Evangelist

Sculpture Prayer Gardens

Greiner designs custom bases and gardens for his monumental sculptures. In 2002, the Holy Spirit gave Max a vision of a 300' long cross-shaped garden to evangelizing the lost. The first COMING KING SCULPTURE PRAYER GARDEN was built on IH-10 in Kerrville, Texas.
