**Miracle Audio Testimonies**

*God has taken Max and Sherry Greiner on an incredible spiritual journey, resulting in literally hundreds of authentic, documented, miracles. The Greiners' continuing spiritual pilgrimage, which began in September of 1976, has been the subject of books, newspaper, magazine, book, radio, television and Internet coverage around the world.*

*In 1989, the Artist began receiving invitations to speak at meetings, churches, universities and seminaries across America. These classic messages describe timeless spiritual truths, which Max illustrates with contemporary miracles. Many of these stories are also written and illustrated with photographs on the Greiner websites and new book, "The Garden".*

*If you ever wondered if God still supernaturally intervenes in today's world, or you need your own miracle, the Greiners' testimony will bless you!*

**CUSTOM WORK**

Max can design custom awards and gifts for your Trustees, staff, board members, students or donors in all price ranges, using many different materials and compositions. Custom bases, laser engraving or brass plates can be easily added to existing Greiner sculptures.

In quantities of 300 or more Greiner, Coins, Lapel Pins, Key Rings and Medallions can be customized for ministries or companies. Let us know your needs, budget and time frame. We will design something special for you!

**SCULPTURE PRAYER GARDENS**

Max Greiner, Jr. has a 1974 Architectural Design degree from Texas A&M University. Therefore, he can assist in the design of a custom sculpture base or entire sculpture prayer garden, at your location.

If possible, Greiner will visit the proposed site and pray with project leaders for God's inspiration. Once the initial garden concept is received from the LORD, the construction should be turned over to local architects, landscape architect or contractors. Greiner spiritual and design consultation is free to purchasers of monumental Greiner's monumental sculptures.

If it is decided that a full-size, 300' cross-shaped "Covenant Certified" Garden is desired on the property, Greiner will provide addition free support. This detailed evangelistic plan is based on Greiner's original 2002 vision, which bring souls and glory to Jesus Christ.

If the new garden qualifies, it can receive the endorsement and assistance of THE COMING KING FOUNDATION.
